

**Fresh, vitamin rich,
Colorado Peaches!**

Youth For Christ is offering succulent and juicy peaches from our exclusive Colorado orchards as a fund raising opportunity that supports our mission to reach every kid...one at a time! The fruit is tree ripened, picked, boxed and shipped in one operation. We receive fruit literally hours from the time it is taken from the tree. The result is the freshest peaches around. **Check out the Black Bear Orchard link on our peach page and see how they deliver great peaches every year!**

ARRIVAL DATES

At this time we anticipate the delivery dates to be August 10, 17, 24, and 31. Once notified, you may pick up your peaches at the KMART parking lot on S Washington St. We encourage you to check our website at www.gfyfc.org or call (701) 203-1928 in advance to confirm the date and time.

On-Line Ordering/Electronic Sales at the Truck

New this year is our use of Square exclusively as our electronic point of sale system. As a consumer we hope your purchase experience will be quick and convenient with all the added confidence of a proven point of sales system.
